

Evergreen Lodge

Nursery & Preschool

8 WEEKS IN..

As we approach the end of October it marks being open for nearly 8 weeks. These last 8 weeks have truly been amazing, we have welcomed new members of staff and lots of new children too! Everyone has settled in really well and we have been having lots of fun exploring the new nursery. We wanted to say a big thank you to everyone who has chosen to join Evergreens & to everyone who joined us on our open day in September too, it was lovely to meet so many parents and children. We hope to see you all soon. We still have some spaces available so please get in touch for more information.

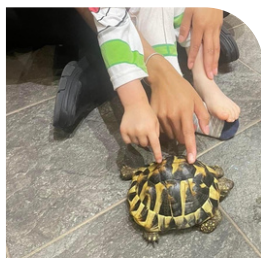

We still have T shirts available to purchase.

AUTUMN ACTIVITIES

We have had so much fun and special moments at our Play-doh Pumpkin Patch in our babies room! We also had a visit from Peanut the tortoise where we learnt about different parts of Peanuts body. We can't wait for him to return with his friend Cashew 🐢

We are also looking forward to seeing what the children have filled their treasure hunt bags with, exciting times ahead.

EVE TURNED 100!

We came across a lovely lady called Eve who wondered if she could receive 100 birthday cards for her 100th Birthday! Well, Evergreens just had to help.. Our children & staff made birthday cards along with a post box & some flowers to surprise her 🌸

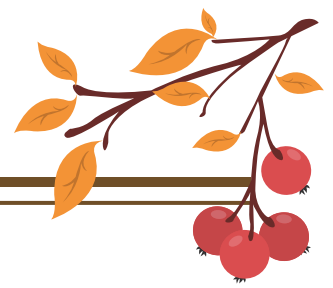

THANK YOU

We have had lots of Autumn fun exploring the gardens and bringing that inside with our new and exciting book 'Willows Wood' that is extra special to us as it was written by one of our pre schoolers parents. Thank you Kirsty for such a special book 📖

Another thank you to Saffron Catering for bringing 'Twinkles' the ice cream van to see the children, such a fabulous treat 🍦

MEET OUR AMAZING TEAM..

All our staff members have safeguarding training and hold all appropriate qualifications in line with their role. Each room is adequately supervised. We support and encourage additional training to enable all staff to further develop their skills and knowledge ✓

WELL DONE

Congratulations to Emma on completing a fire safety training and planning course, this includes how to prevent fires from happening. Well done Emma ★

Also a huge congratulations to Laura who passed her DSL training course! She is now a trained Designated Safeguarding Lead ★

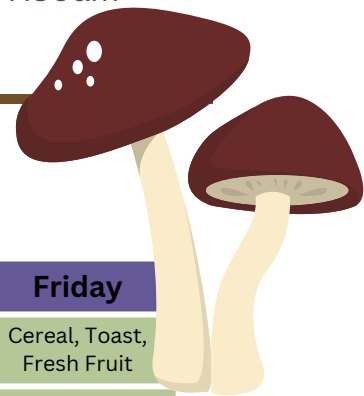

REMINDERS

Can we remind all parents that water bottles are required every day along with appropriate, named clothing suitable for all weather. Please don't forget your wellies.

DATES FOR YOUR DIARY

We close for Christmas on Friday 22nd December at 6pm & return on Tuesday 2nd January 2024 at 7.30am
